Hey Camper,

Today we heard the story of Jesus' birth. Because God loves us so much, God became a human as Jesus. Jesus grew up to be a kid just like you, and he became an adult just like me and the adults who love you. Jesus understands us because he was human like us, and he cares about us today. That's what we mean when we say Jesus is with us. What are some ways that we can see Jesus with us today?
