

**INTRODUCING A NEW RETREAT
CENTER AT YOUTHFRONT CAMP WEST!**

The lower level of the new Activity Center will function as a retreat center that is perfect for groups under 50 people. Hotel style rooms feature two bunk beds and private bathroom/shower and can house up to 48 people. Have a little bit larger group? No problem, we can open up a couple cabins on either side of the Activity Center to provide overflow housing.

The large meeting space included on the lower level can seat up to 70 people and is equipped with a sound system and 70" HDTV for presentation and video usage.

As always, we can provide meals in our Dining Hall for retreat groups but the new Retreat Center has a kitchen allowing flexibility for groups to save cost and provide their own meals.
