

Begin by logging into your account on our Campwise system or creating a new account:

The screenshot shows two side-by-side panels. The left panel, titled "Already Applied. Login Here", contains a "Username:" field, a "Password:" field, a "LOGIN" button with a lock icon, and links for "Forgot Username?" and "Forgot Password?". A "Reload App" button is in the top right. The right panel, titled "New User. Create A New Account.", contains a list of benefits: "Return to view or edit your submitted applications and forms", "Return to fill out additional forms", "Continue a partially completed form or application", and "Return to apply for staff positions again next year". A "Create New Account" button with a checkmark icon is at the bottom.

Once you are logged in, you'll need to click on this button to add a session:

On the next page, you'll need to select the Week(s) you are wanting to volunteer. This might be a bit confusing, so just select the week(s) that contain the sessions(s) you plan to volunteer. For example, if you are planning to volunteer for Session 4a and Session 6b (both are Kids Camp sessions), select Week 4 & Week 6. Later, within the application, you'll be able to denote the specific Sessions you plan to volunteer.
