

**New for Summer 2022!** Rather than *applying* for Teen Staff, high school students will *register* for desired session(s). You will select a session camp location (LaCygne or West), you are not guaranteed a spot but it does let us know your preferences. Assignments based on need will be made by the High School Ministry Director and Teen Staff Leaders in the spring. You will be contacted by text or email to confirm your session, location, and role.

## Step 1: Enrollment

Once logged into [youthfront.com/account](https://youthfront.com/account) you will see the Enrollment section. please select “  ”, then click “Save/Next” to skip the *Group Hold Reservation* section. Then choose your desired date and camp location and complete the required forms.

## Step 2: Payment

After completing enrollment, you must pay a \$10 deposit for each session selected to complete the registration process (this is why it will say **Enrolled, NOT registered** on your Dashboard). The deposit is non-refundable but may be transferred to a different session. The full cost to Teen Staff is \$35 per session. Your balance is due at least 14 days prior to your session. As space is limited and some sessions will have waiting lists, registrants with outstanding balances on the due date may forfeit their reservation.

In the Financial section, please select  to pay the deposit.

*Please note: the required Registration & Service Fee is a one-time \$5 fee. The September date associated with the fee is only an internal reference for Youthfront.*

**That’s it! We will reach out to you to confirm sessions, location and roles in the spring!**

If you have questions please contact us at 913-262-3900 or [info@youthfront.com](mailto:info@youthfront.com).
